Subject: Your ranking on the TOP10 Performance Supplier List PMC

Dear Mr. Bunch,

on a quarterly basis, PMC is determining the TOP10 Performance Suppliers of the Mercedes-Benz Cars and Vans. These latest rankings are on display in our locations.

We are pleased to announce that you have been ranked as the 2nd best performing supplier in all measurements (please see attachment)!

Rankings are based on your total performance data as shown in the External Balanced Scorecard (EBSC), which is the common performance measurement tool within Daimler (EBSC access is provided on the Supplier Portal <http://daimler.covisint.com> after registration). The total performance is calculated considering all relevant measurements of all four value drivers: Cost, Quality, Technology and Supply.

We would appreciate to keep your Company ranked as one of our TOP10 Suppliers in the future!

Yours sincerely
Daimler AG
